

## Go, Go, Go, All Hallows!

This year's musical 'Joseph and the Amazing Technicolor Dreamcoat' was a roaring success with 2 fully sold out performances on Wednesday and Thursday.

Cast members performed well loved songs such as 'Any Dream Will Do' and 'Go, Go, Go Joseph' from the popular musical that follows the Biblical story of Joseph, found in the Book of Genesis.

The show has very little spoken dialogue; it is completely sung-through and we had

a range of talented singers and performers taking on roles in the performance, most notably were Eamonn Lynch-Bowers as Joseph, Jordan Greener as Pharaoh and Rachel Green, Olivia Myatt and Aileen Pringle as the narrators. The entire cast from the choir to the main characters performed excellently night after night.

We also had a very talented band of musicians to support the cast and special thanks go to Mrs Ridgeon who rehearsed not only with the cast but also the band.

A huge effort goes in to making the summer musical a success not only by students but also by the staff that give up their spare time to supervise rehearsals and performances.

On behalf of the Directors Mrs Ridgeon, Miss Powell and Miss Marchant I would like to say a big WELL DONE and THANK YOU to everyone involved.

By Miss Marchant

### Mr Bird Retires

All Hallows is saying goodbye this term to Deputy Headteacher Mr John Bird who has given 31 years of loyal service.

When he started in January 1983 as Director of Sixth Form the details of the post described the buildings he would be working in as "new, purpose-built sixth form accommodation" – so it is absolutely fitting that our new sixth form centre, due to open in 2014 will be Mr Bird's leaving present to the school. Mr Bird has provided the vision and inspiration behind all the major building projects at All Hallows for the last 15 years, including our superb Sports Hall.

Mrs Lutzeier, Headteacher, commented, "From the first time I met him, I have known Mr Bird to be a devout man of faith, a loyal, supportive colleague, a first class teacher with a highly developed understanding of the steps needed to bring about improvements, a man of vision with outstanding organisational skills and a kind human being with a wonderful sense of humour.

Along with our best wishes for a happy retirement, Mr Bird takes with him the gratitude of thousands of school staff, governors, young people and their parents. He leaves behind an amazing legacy in both the physical fabric of the buildings and the organisational structures he has set in place.

It has been a tremendous privilege to work with him."

### EXAM RESULTS REMINDER

**AS & A Level**  
Thursday 15<sup>th</sup> August  
Yr 13 -9.30am,  
Yr 12 -10 .15am,  
Yr 11-11.00am

**GCSE**  
Thursday 22nd August  
Yr 11 - 10am - midday  
Yr 10 -11.15am -  
midday  
Results will be  
distributed in the  
Sixth Form Common  
Room

## Year 8 MFL Trip to France

On Thursday 13th June, the MFL department took 36 Year 8 students to Dieppe in Normandy; after a choppy outward journey we all arrived safely at our hostel before venturing out into the town. Friday was sunny, so a tour of the town followed by some local shopping filled the day, before time for reflection back at the hostel in the evening. A trip to Paris on the Saturday took us to the Eiffel tower, Arc de Triomphe and then onto Montmartre & the Sacré Coeur, a cultural and spiritual experience, as well as some very entertaining caricatures!! A final trip in to Dieppe on the Sunday before returning home with all students safe and sound.

Miss Powell

## My First Year at All Hallows

Year 7 has been an interesting, exciting beginning to my time at All Hallows. I was really nervous when I started but with help from mentors (yr 10 students) and friendly faces, my friends and I began to settle down. I found that everyone was helpful and supportive. All Hallows has a really welcoming atmosphere which makes you feel at home.

One of the things that surprised me when I started was the large number of clubs and after school activities ranging from Music, Science and Sport to Animation and Art. I tried out lots and really enjoyed the girls choir run by Mrs Sprague. I now feel I have been here for years and can't wait for year 8. I hope the new Year 7s will have the same good experiences as me and enjoy their first year at our fantastic school.

Megan Holmes 7C

## Music Concert Tour to France 2013

After months of practise, 68 of our students from years 7 to 11 are ready for the much awaited concert tour to France. The venues are; Basilica, Notre-Dame de Paradis, Hennebont, Théâtre de l'Océan at Larmor-Plage and L'Eglise St. Pierre at Ploemeur. The performances will be by our String Orchestra, Big Band, Cantamus, MJQ, Concert Band, Chamber Choir, Folk Band and the Tour Choir.

To help raise funds for the Tour the annual Musicathon was held in the Sixth Form Common Room on the 16th June. Mr Banks would like to thank all those staff, students, parents and grandparents who supported the event and helped raise just under £1,800. Look forward to a report of the Tour in the next edition of **News.com**

## The Wonder of Science!

Year 9 and 10 students took part in science outreach programmes run in the summer term. The programmes helped to reinforce subject knowledge students would be covering at GCSE and have the opportunity to take part in experiments not normally available in a school lab. Dr Ben Littlefield from Southampton University ran a chemistry workshop which included the use of hydrogen peroxide and potassium iodide to make expanding foam, liquid nitrogen and many other 'flash bang' demonstrations. Sarah Barnes from Surrey University ran a physics workshop where students learnt how to measure radioactivity from rocks using a Geiger counter. Students thoroughly enjoyed themselves and were hopefully inspired to study science to A' level or even university level.

Mrs Sare

## The Great All Hallows Bake Off

All under Mrs. Behagg's supervision, the Bake Off took place over 4 weeks in June with 40 students. In round one biscuits were baked and the star bakers were Bethany Free 9P and Natasha Bianco 7J. The challenge of round two was to produce Cup Cakes, Cydney Barratt 8C and Luis Ribeiro 9C were the star bakers. Pastry was the theme of round three and the star baker was Laura Agyei 8H.

The final challenge was to make a 'Summer Time' celebratory cake. Ten students took part producing a range of striking cakes of varying flavours and textures. An excellent standard was accomplished by all the students. After much deliberation the winner was Louise Morton 9A, 2nd was Dorothy Usher 8C and 3rd Keavy Francis 9A. Highly commended were Luis Ribeiro 9C and Bethany Free 9P. See the back page for news about former Food Technology student Mr Paul O'Neill.

Mrs Behagg and Mrs Craske

## Fantastic Science Fair Fun by Year 9

On 26th June, All Hallows Science club visited the SATRO Festival of Science and Engineering at Brooklands Museum. Our club has been meeting once every fortnight and focusing on acids and alkalis, which was the baseline for our entry. Over the course of the year we have done many experiments, researched and discussed this topic to boost our imagination and ideas. Thank you Mrs Coleman for organising this, it was an amazing day and I hope we'll do it again!

# Sixth Form Visit to Eagle Radio

by Mr Morrish

On Tuesday 2<sup>nd</sup> July, a small group of 10 sixth form students joined Eagle Radio on their 'Love Tour' in Farnborough.

Whilst there, the sixth formers wrote and recorded a radio advert to promote the University of Surrey, gaining a valuable glimpse into the world of radio advertising. They had great fun and learnt how important proper diction is when talking on the radio. After their advert was recorded, the group were given the chance to meet the Eagle Radio DJ at their outside broadcast unit and were shown how the show was sequenced and controlled.

You can listen to the finished radio advert at [www.eagleextra.co.uk/lovetour](http://www.eagleextra.co.uk/lovetour) where you can also vote for which school's advert is the best (All Hallows' obviously!).

## Lourdes Fundraising

10 year 12 students are going to Lourdes with The Catholic Association in August. The students have spent a day in London training for the Pilgrimage. They will be helping the sick and elderly on the trip, ensuring that they are looked after and cared for during the week. Students have each had to raise £500 to fund their trip. Thank you to all the

## NEW SIXTH FORM SENIOR STUDENTS

Congratulations to our Year 12 students who have been appointed to Senior Student Roles following the election programme and an interview with Mrs Lutzeier. The Head Boy is Sam Nicholls, Head Girl is Rachel Green. Chairs of the School Council are Anne-Marie Fanshawe & Arjun Gopal, Publicity Reps are Anna Bentley & Michael Smith with Matt Arnold, Gemma Crean, Tim Sarnowski and Alex Vallone being the four Sports Reps.

## Year 9 Maths Team Challenge

For two lessons on the 3<sup>rd</sup> July, sixty-four Year 9s competed against each other in teams of four in a team maths challenge. The team members had to work together, communicating through a Sixth Former assigned to each group, to solve maths questions and puzzles in a race against the clock. The winning team consisted of Scott Hawley-Dobson, Hayley Kearns, Emily Lawrenson and Baptiste Johnson. *Mr Lowe*

## Surrey University Year 7

We were delighted to be offered the opportunity to take fifteen year 7s to Surrey University for a day of designing and making prototypes of a new shelter to be used in refugee camps. Some excellent designs were produced. The event was organised through STEM (Science, Technology, Engineering and Maths) *Mr Lowe*

Detective Chief Superintendent  
Helen Collins

## "Inspirational Talk"

Detective Chief Superintendent Collins visited the school and spoke to approximately 40 girls from various year groups. This involved a highly informative discussion about the different roles available within the police force. It was really interesting to hear about the varied roles she has undertaken whilst pursuing her career. The girls were able to ask many diverse questions and they felt that DCS Collins related well to them. The girls said they found the talk extremely interesting and informative. They also referred to Detective Chief Superintendent Collins as truly inspirational.

## Year 12 Induction Day 26<sup>th</sup> June 2013

120 students from Year 11 came to experience a day in the life of the Sixth Form. Induction Day is the last stage of a year long process to help students to make a successful transition into the Sixth Form. All students enjoyed lessons in their chosen subjects, the opportunity to spend time in the Common Room and then the social events organised by the sixth form team. Students stayed on after school and, with staff, enjoyed a barbecue and some fun games (shown). Mrs Fanshawe and her team are looking forward to the new term and working with the new Year 12. *Mrs Fanshawe*

## Recognising Service to All Hallows

After 15 years as Chairman of our Governing Body Mr Tim Bradley was thanked and praised by Mrs Lutzeier for the commitment and support he has given to the school in completing his official duties as lead Governor. Mr Bradley was presented with a cake decorated on the theme of music, a recognition of the added significant contributions he has made to the development of this subject area at school. Many of our students have benefitted from his involvement in music groups and participation on the music concert tours. We wish Mr Bradley and his family all the very best as they relocate to Somerset.

## **Congratulations to..**

\* **Scott Crabbe** from 8E who has successfully represented the Scouts in a County championship competition. Good luck to him as he represents England this summer in an under 21 completion where he shoots against army representatives and even members of the British Olympic team!

\* **Brendan Jones**, and **Abi Richardson-Jones** who performed in the Surrey County Percussion Ensemble and **Ben Rees** who performed in the Surrey County Youth Orchestra at Farnham Maltings on 5th July

\* **Paul O'Neill** a former student of All Hallows who has featured on television recently winning the prestigious Roux Scholar for 2013. Paul is currently senior sous chef at Ashdown Park Hotel, Paul is seen receiving a presentation from Famous Chef and TV personality.

\* **Mary and Amelia Chalkley** for competing in a recent South East England swimming gala.

\* **Alice Smith, Spencer Blackler and Byron Blackler** who represented Farnham Fireballs Floorball team at the National competition in Gloucester where they came second place.

\* **Lucy Dudley** who has been invited to train with the England under 15 Netball team.

Netball Team**

Thank you to Mrs Lattimore, Miss Marchant and the Prom Organising Team of tutors

## **YEAR 11 CELEBRATIONS**

On Friday 21<sup>st</sup> June, Year 11 entered All Hallows for the last time for a very moving leavers mass. The mass included a funny, yet meaningful, homily from Father Niven before each student was presented with a leavers cross. Then followed a short video looking back over the past five years. After a speech from Mrs Lutzeier, and another (very moving) speech from Mrs Lattimore, it was time to leave and begin the process of getting ready for the prom.

By 7 o'clock that evening family and friends had gathered at the front of the school to watch everyone arrive. Students pulled up in many different types of transport including limos, minis and even a small army jeep! Once out of the cars the crowd were able to get a good look at the students as they had their photo taken – everyone looked so different!

As soon as we were through the doors we

were greeted by the teachers and shown the way up the stairs to the hall which had been completely transformed. We all went to meet our friends and admire how different everyone looked in their suits and dresses.

Most of the night was spent dancing (even some of the teachers were on the dance floor!). There was also the opportunity to get professional pictures taken, which many students did.

At 11pm everyone was in the main hall dancing to 'We're all in this together', which was the final song of the night. Then it was time to say some emotional goodbyes and leave to see what was waiting for us afterwards. It was definitely a night to remember!

*By Katie Trevillion Year 11*
