

Finally!

Five of our fantastic football teams make the finals!

Year 11 Champions

After five years of trying, the Year 11 football team won the District Cup at Aldershot Football Stadium.

With a record crowd to cheer on the team, it was a huge occasion for all involved. The game started at a fast pace with both teams playing good football, but it was Calthorpe Park who took the lead against the run of play. All Hallows got stronger as the half went on enjoying most of the possession and although we started to play some very attractive football, Calthorpe Park still looked dangerous on the counter attack.

continued on page 2...

Unbeaten

Congratulations to our amazing Year 11 netball team who have remained unbeaten throughout their time at All Hallows. They have been coached by a number of staff over the last five years including Mrs Russell, Miss Copson and Miss Dent. The team are very dedicated and have a wealth of experience between them; they are all talented individual players. Many of them play for local teams including Rushmoor and Western Park. Lucy Dudley has just recently attended England trials. Sadly, she was not successful this time but we wish her all the luck for future attempts. We wish them the greatest success with Netball in the future.

Olivia Davis, Grace Meaney, Lucy Dudley, Megan Mina, Bethany Haskell, Emily Wright, Helena Rodriguez, Mary Samuel-Oki are shown photographed with their dedicated coach, Miss Dent.

Year 11 Netball Team

Year 11s - All Hallows 2, Calthorpe Park 1

continued from the front page

The first half ended, after a close 45 minutes with Calthorpe ahead 1-0 even though All Hallows looked the slightly stronger team. The second half started in the same fashion; with a high pace tempo and ended with both teams playing good football. It was ten minutes into the half when the ball fell to Wesley Pusey 30 yards from goal. Wes took a touch

getting the ball out from under his feet and struck an unbelievable shot into the top left hand corner of the goal in front of the hundreds of elated fans! The atmosphere suddenly lifted to a whole new level with chants such as, "OH... JOE SAMUEL-OKI" echoing around the stadium. There were near misses from both sides late on in the game, with Tyrone Kinmonth stopping the ball on the All Hallows goal line five minutes from time. The final whistle blew with the game still at 1-1 which meant extra time was

needed. With fatigue and cramp setting in, the game became very tiring for the boys.

Consequently, chances and near misses became increasingly frequent and with each missed chance the crowd became increasingly fraught. The game was well and truly balanced on a 'knife-edge'.

Then, with the extra-time already into injury-time the ball was played through to Sam Pedersen who managed to get past the last defenders before being brought down just inside the box..... Penalty!!

Oli Rozario who, showing nerves of steel, instantly ran and claimed the ball. He stood alone at the spot. A calmness came over the previously deafening crowd; fans, coaches and players alike all just awaiting the referee's whistle. Finally it came.

Ollie started his run up, the ball was struck... and then came the noise!! An absolute wall of sound as the ball was drilled into the bottom right hand corner of the goal just centimetres between the post and the outstretched keeper's finger tips!

Only seconds left and the scoreline read 2-1 to All Hallows. The game restarted and All Hallows held on for the last minute or so before the final whistle blew. Finally after five years of being so close, All Hallows had earned the title of Champions!

Mr Marker, the Year 11 coach is shown celebrating with his able assistant, Mr Carney. Well done to you both!

Year 10 Double Champions

All Hallows 6, Frogmore 1

Having already won the league with a 100% record, the Year 10 boys were looking to complete the double with a win in the district final at Aldershot Town FC.

This season the team has been built on a strong commanding defence, hard working midfield and a prolific strike force, and that is what was on show in the final. All Hallows took an early lead with a goal from Jurgen Stuart who pounced on a chance at the near post, which was followed very shortly by an excellent piece of football shown by Tamsin de Bunsen, the first girl to ever play in an Aldershot District boys Year 10 cup final, which was finished brilliantly by this season's top scorer Ben House. The lead was then doubled by the 30th minute of the first half with two more goals from Ben House who has been deadly in front of goal this season. Frogmore got a goal back just before half time but it was a very comfortable dominant performance by All Hallows. Frogmore started the second half at a fast pace trying hard to get back into the game, but like the rest of the season All Hallows defended extremely well. The victory was confirmed late on in the game when Harrison Dawson struck a lovely free kick from 30 yards over the helpless keeper. Captain, Joe Connell, finished the scoring off striking the ball into the roof of the net from a corner.

This was a fantastic performance from all the team ending the season unbeaten and as double champions. **By Mr Marker, coach**

U15 Girls Football Team - District Cup Champions, League Champions and Still Unbeaten!

All Hallows 9-1 Wavell

After already securing the league with a 100% record, the girls wanted to add the District Cup to their already impressive trophy haul and unbeaten status since the team was created three years ago, and they didn't disappoint! It was an impressive performance that really showcased how far girls football has progressed over the last few years and how good a team can be. With goals from Tamsin de Bunsen x3, Dorothy Usher x2, Hayley Jordan x2, Hannah Wisdom and Rebecca Tabbener, All Hallows came out dominant 9-1 winners, securing the title and finishing the season as double champions.

By Mr Marker, coach.

Under 16s Girls Football League Champions

All Hallows Year 10 and 11 girls football team, already league winners, got to the finals of the County Cup held at Fulham Training ground. The final was against a very strong Sunbury Manor. We started off well with a goal assisted by Lucy Dudley in the first 20 minutes of the game. But, Sunbury Manor got back quickly getting one back by half-time. The second half kicked off and they got a goal early to go in the lead. But, with the fighting spirit within our team, we fought back to bring the scores back level with a great finish by Joanna Hall. 10 minutes to go, Sunbury Manor managed to sneak past our defence and slot in a goal. 3-2 down. With Mr Marker's great tactical change putting Lucy Geraghty up-front, we managed to get a free-kick and scored to bring the game to 3-3 with two minutes to go. The match went to extra-time and we couldn't grasp a goal to win. Unfortunately, we lost on penalties 3-1. We want to thank the Year 11's for being part of an amazing team and wish them all the best for the future! And of course, thanks to Mr Marker for being an outstanding coach!

By Tamsin De Bunsen, pictured with a finalist's medal

Team: Rebecca Williams, Lucy Geraghty, Vicky Vadasz, Mary Samuel -Oki, Lucy Dudley, Beth Haskell, Jess Francis, Nicola Hall, Joanna Hall, Tamsin de Bunsen, Danika Stillwell, Rebecca Tabbener, Hayley Jordan.

We celebrated our success in the football by organising a special football lunch. Hot dogs, and celebration cake! Thanks to Mrs Zoe Rees, our Restaurant Manager, pictured with Mr Marker. There was even football themed music selected by the PE department.

Year 7 League Champions

Year 7 had a very successful year for football as they won the District five-a-side competition and went on to do the Southern Area five-a-side also. Unfortunately they didn't quite perform on the day and finished 4th in the group stage of this competition.

The Year 7s also won the District 11-a-side league having a very successful season and winning every single game in the campaign. In the District Cup there were some outstanding performances having won 8-0 against Connaught in the 1st round, 4-1 against Weydon in the Quarter finals and 7-0 against Yateley in the Semi Finals. Unfortunately it was not to be for the Year 7s as they lost the final 2-1 to a very strong Robert Mays team who we beat earlier in the season. Well done boys, a good first year with All Hallows football and hopefully many more successful seasons to come!

Well done to the Year 7 coach, Mr Corrigan.

Independent Maths Project Winners

Congratulations to the class and level winners of this terms IMAp competition. Daniella Canlas, Amelia Humphrey, Grace Korican and Georgia Dawes won their levels and along with the class winners are shown in the photograph. Once again it was a hard decision to make and some of the work the students produced is shown behind them. There was an imaginative presentation of the ideas the students had explored covering a range of subjects from a monkey trying to reach a banana, working with interconnecting lines to see what spaces and connections were produced, looking at chess problems and predicting the number of sides in regular polygons using algebra and geometry.

FAYO

Community Concert

On Wednesday 14th May we held the first of the bi-annual Music College Concerts. The concert was very well received by a full School Hall appreciating the huge amount of hard work and enthusiasm on display. The concert began with three pieces performed by the Farnham Area Youth Orchestra including works by Rossini and Tchaikovsky. The orchestra, which numbers around 45 students from eight local schools continues to thrive and recently performed at the Farnham Music Festival. Cellos Together presented

a variety of pieces with a Latin flavour – the 20 cellists with ages from seven to ten have made huge progress in recent months and were a solid support in the joint piece with the Violins Together ensemble which followed. The new co-ordinator of the Violins Together, Mrs Hinchliff, has made an impressive impact on the musical and technical development of the 50 young violinists since she took over the role of co-ordinator in January.

The final group to perform was the 100 strong community choir, Voices Together. They perform a varied collection of pieces in four-part harmony which enthralled and delighted the audience.

Congratulations to all the performers as well as to the conductors: Mr Banks, Mrs Laird, Mrs Hinchliff and Mrs Hoppe.

The next Music College Concert will be in November. **By Mr Banks**

VIOLINS TOGETHER

CELLOS TOGETHER

VOICES TOGETHER

Duke of Edinburgh Award Scheme

Congratulations to the 76 students that received their Duke of Edinburgh Award at the Waverley Forums Presentation Evening. The students have shown hard work and commitment in completing their award. We still have many students who are near to completion of the award. If they require any help they should attend the Duke of Edinburgh drop in sessions every Tuesday lunchtime in room 75.

Last weekend, 97 Year 9 and 10 students completed their training for the Bronze and Direct Silver Duke of Edinburgh Award. The students completed a weekend of activities developing their team building, navigation, first aid and camp craft skills. We look forward to applying these skills during the practice weekend in June.

By Miss Dent

Year 9 enjoying their group walk towards Crooksbury Hill

BBC News School Report

On Thursday 27 March, a group of Year 9 students became All Hallows' newshounds. We were among 30,000 students nationwide who took part in BBC News School Report. Our challenge was to produce a newspaper from scratch in real time to be posted on the school and BBC website viewed by an audience of millions. After a working editorial breakfast we came up with a title and logo then sifted through the news stories from around the world. Once we had made our editorial decisions, we worked super-fast to write, design and publish a newspaper by the deadline of 4pm. Thank you to Mr Adam for helping the team through a stressful but highly enjoyable day. **By Natasha Willies 9M.**

Still available on our school website www.allhallows.net or scan the QR code...

Bon courage! Powodzenia! Boa sorte! Allah Ka Fazal Ho!

Do you understand the title? If so, you might be interested in taking a further qualification in your home language next summer. Each year, an increasing number of students take a GCSE or higher qualification in their home language; this year we have students

sitting exams in languages ranging from Spanish, Polish, Portuguese and Urdu, among others. We wish all our students the very best of luck this summer. Anyone interested in taking a qualification in their home language in Year 10 should see Mrs Boniface before the end of the Summer Term.

الله کا فضل ہو! **Buena suerte. Viel Glück!**

By Mrs Boniface

Waverley District Track and Field Athletics

On Tuesday 13th May the Waverley District Track and Field Championships took place at Charterhouse.

There were some excellent performances from our athletes with Matthew Arnold completing his long outstanding record for

All Hallows as he finished 1st in the U20's 1500m in a time of 4 minutes 15 seconds, a good five seconds ahead of 2nd place. This brings us to the 'end of

an era' as Matthew has successfully won this Championship and the Cross Country Championships every year he has been at All Hallows.

Tilly Horton, Year 9, also put in another great performance to finish 2nd in the U15's 1500m with an impressive time of 5 minutes 2 seconds, 13 seconds ahead of 3rd place. Well done, Tilly! Hopefully we will experience many more performances like this in the future (*see back page for more news about Tilly*)

Another outstanding performance came from 'the star of the future', Ben McLaren-Porter Year 8 winning the U15's Discus with a huge throw of

28.53 metres which left him 3.5 metres ahead of the next best athlete. This is a great result for Ben who was actually competing against Year 9 students.

Congratulations to those three athletes who all look very likely to be selected to go on to represent Waverley at the County Championships in June.

Congratulations to the other athletes who competed for All Hallows.

By Mr Corrigan

Ben McLaren-Porter

Italian Link Project

We have almost reached the end of the fifth successful year of our Italian Link Project. This link has not just been an amazing opportunity for our Italian students, who spend a whole year in our Sixth Form, but it has also given many of our students the opportunity to study, play music and sports, compare and share spaces and experiences together, and also the chance to build lasting friendships. We also hope that many of our younger students

will be inspired by the Italian presence in our school, perhaps in pursuing a similar journey in their future education or just helping them realise how enriching it is to experience, learn and embrace different cultures and languages.

By Mr Surian.

The photograph shows Mr Surian directing the very popular Italian themed lunch held in our School Restaurant recently. Aply assisting are Barbara, Jessica and Silvia.

SIXTH FORM NEWS

Nearly There

As can be seen from the photograph, progress continues to be swift on our new Sixth Form building. As you read this, the seats for our new 350—seater auditorium are being installed. Work on the new building will be completed before we break up for the summer term and we are looking forward to seeing our current Year 12 and the very many Y11 students who are staying with us make the most of the new facilities in September. **By Mr Spare**

A Message for Year 11...

INDUCTION DAY

All students who have been accepted into the Sixth Form are expected to attend the **Induction Day on 25th June 2014**. Any queries please see Mrs Fanshawe.

Our Year 12 have started their AS exams and are on study leave whilst the exams take place. They are due to return on Monday 2nd June when they will begin their A2 studies.

Farewell to Year 13

Year 13 students are about to leave the All Hallows Community ready to begin the next stage of their studies. I am very confident that their hard work and commitment will bring them success. Many are going on to study at Universities across the UK. Whilst we are sad to see them go we are certain that they will be successful in what ever they have chosen to do. We hope that they keep in touch and from time to time let us know how they are getting on. The year group celebrated a Mass together last Friday and in the

evening enjoyed their Leavers' Dinner.

On behalf of the tutors, the Head of Year 13 Mr Carney and the staff at All Hallows, I would like to thank all the Year 13 students for their commitment to the Sixth Form, to the community and for their support of each other. It has been a pleasure to work with you. Thanks to the senior students; you have done a wonderful job this year and thanks to the team who helped organise the Mass and the Dinner.

Mrs Fanshawe.

Preparing to celebrate Mass together.....

... and celebrating our friendships

A very warm welcome to the German Exchange Party

who will be staying with our Year 9 and 10 Exchange Students from 23rd June to 29th June. We will be returning to our Partner School in Cologne in October and have an exciting programme lined up for our time in England and in Germany. Mrs Boniface will soon be releasing details of the Exchange for the next academic year for Current Year 8 and 9 students - watch this space! **By Mrs Boniface**

School Visit to Rome

During the Easter break four members of staff (Mr Tucker, Mrs. Markham, Mrs. Houghton and Miss Wright) and 37 upper school students made a trip to Rome. It was a wonderful chance to visit this fascinating city, often described as the 'Eternal City', which has been at the heart of Christianity for 2000 years. There were many sights we visited throughout our time including the

Vatican, the centre of the Catholic Church; the basilicas of Mary Major and John Lateran; the ancient Roman remains of the Colosseum and the Roman Forum; Spanish steps and the Trevi fountain in the heart of the city; and towards the end we visited the Catacombs and Ostia Antica which was the original sea port for Rome. One of the highlights of the trip was ascending the Scala Santa, the staircase that Christ ascended when he met Pontius Pilate during his trial. All in all we don't think any of us will forget this marvellous trip and we have plenty of photos and happy memories to share. **By Mr Tucker**

Yachtsman Returns from Japan

Zac West, Year 8 returned home from Japan having competed for GBR against 49 other young people in an international competition. Zac, who came a creditable 13th overall, enjoyed the experience of competing, meeting other yachtsmen and visiting such an interesting country. He even experienced a minor earthquake! See the full story on the news area

of our website.

Geography Field Trip to Swanage

On Friday 28th March 2014, our Geography teachers led 45 Year 10 students for the annual long weekend field trip to Swanage. Friday was spent in Corfe looking at human factors for settlement and traffic issues in the village. Visits to Old Harry's Rocks and Lulworth Cove over the following days ensured that we studied the physical features of the area, too. Despite early rain on Friday, the weather cleared and the sun shone through. We worked hard during the day and followed up the day's activities with work in the classroom in the evening. We did however, have plenty of time for relaxation and Match of the Day was enjoyed by all, especially Mrs Markham! A memorable weekend for both staff and students. The photograph shows Mr Napper explaining the view from Corfe Castle. **By Mrs Markham**

CHAPLAINCY TEAM

The Chaplaincy team at All Hallows consists of the RE Department as well as deacons and priests from the feeder parishes who send students to the school. The size of the Chaplaincy team means that there is most often a team member at all the important events for our young people. Events like our Awaydays which take place for all lower school students provide

opportunity for us to work more closely with the students. This term the Awayday is for Year 9 focusing on the theme of 'Love and Relationships'. Other events this term include our Year 11 Thanksgiving Mass and the Leavers' Mass for Year 13. In this exam season the Chaplaincy team prays for all the students that they will remember all that they have studied and do the very best in their exams.

Fr. Niven

CONGRATULATIONS TO....

Georgia Dawes, Year 9 who recently won Gold at the Southern Region All Round Grade ten Gymnastics Competition held at Basingstoke Gymnastics Club in April 2014. This followed her recently reported win in the County Competition.

Tilly Horton, Year 9J who competed in an under 15 team competition after being selected to represent the South East in the London Mini-Marathon last month. Her team came third.

Robert Thorpe, Year 8H for achieving a highly commendable second place overall after competing consistently well in a number of orienteering events.

Mark Powell, Year 13 who has just gained his Gold Duke of Edinburgh Award. He has also gained skills in powerboating, kayaking and windsurfing as part of this which has led to him getting work as a watersports instructor. He has given back to the local community by serving at church and by teaching voluntarily scouts, beavers and the public for a number of years. Well done, Mark for quietly achieving so much.

Kiera O'Brien, Year 10 for coming 3rd in the IDTA U16's Nationwide Girl Ballroom Competition in Blackpool.
