Grease, The Year 11 Prom, The Year 13 Prom and sporting events.

AH, Those Summer Nights...

After 7 months of intensive rehearsals and preparation the cast of more than 100 finally came together to perform the well-loved Grease the Musical for three very warm summer nights at the start of July.

This talented cast took to the stage to perform well known pieces from Grease such as You're the One That I Want and Summer Nights, as well as a lengthy script. Led by Luke Sprague as Danny and Charlotte De Quervain as Sandy, the principal cast performed a stunning piece with incredible singing, acting and dancing all round, supported by a

talented and dedicated chorus. Stand out moments included an emotional performance by Liv Jasper in There Are Worse Things I Could Do, beautiful harmonies by Dom Gray and Rachel Harden in Mooning and amazing dancing from Luke Sprague and Florence Best in Born to Hand Jive. These moments, along with the rest of the play, help demonstrate just how hard the cast has worked. I would also like to mention and thank all those providing support from behind the scenes: sound, light, hair and make-up, stage crew as well as the fantastic music from the band. With many of the students involved in the show leaving us for university this year, they have left a legacy they can be proud of.

By Miss Clark

A Summer Message from Mrs Lutzeier

We have reached the end of another successful school year and now it is right for all the members of our community to have a well-earned rest. I am very proud of our students and all their magnificent achievements, so many of which are described in this information-packed newsletter. I must thank the teachers for their continued dedication to the students and our parents who are so supportive. Many of our students are awaiting their examination results and I am looking forward to

meeting them on results day to share in their successes. For those returning in September may I remind you to make sure you have all the necessary equipment and the correct uniform and hair styles ready for a fresh start. The school website provides full details of our uniform.

At the end of the year it is always sad to say goodbye to teaching and support staff that are leaving us. I would like to thank them on behalf of the whole community for their work which has contributed to our outstanding school.

The Battlefields Trip

In History in Year 9 we have been studying key events of the First World War and because of this 46 students attended a four day long trip to the battlefields in Belgium and France. It was a key starting point to help us extend our knowledge about the war. We visited both Commonwealth and German cemeteries including Essex Farm and Langemark. Langemark and Essex Farm were totally different. Essex Farm was peaceful and light in its way of remembrance, with flowers and poppies, whilst Langemark was dark and gloomy and contained mass graves rather than individual headstones. Other sites we visited included Beaumont Hamel Memorial Park, Ulster Tower, Thiepval Memorial, Delville Wood and the Ypres Salient, which included a trip to a Belgian chocolate shop!

By Bailey Cartlidge, Year 9

On the Saturday evening of our trip we visited the Menin Gate for the Last Post ceremony and we watched as soldiers were

commemorated and three volunteers from our school laid a wreath. It was an emotional ceremony and you could really appreciate the effort that went into the remembrance of the soldiers who fought in the First World War.

By Lucas Jennings, Year 9

STEM Project

On Monday 22nd June, a group of Year 9 girls had a marvellous talk on the roles of women in STEM (science, technology, engineering and maths) subjects, organised by Mrs Parry. Various ambassadors came in and discussed their jobs or university courses. There were some incredibly successful people who did everything from chemical engineering to medical biology. Everyone said one thing - STEM subjects opened the doors that led them there. They also showed the uneven divide between boys and girls taking these subjects, a divide we hope to bring closer to equality. The talk was enlightening, and inspired us all to look into more careers related to STEM. We would like to thank Mrs Parry and all the ambassadors for giving up their time for this talk. **By Rebecca Bell, Year 9**

Three hours of non-stop music!

On Saturday 26th June the Music department held its annual Musicathon. All the bands, choirs and orchestras that will be performing in France participated along with solos, duets and other groups. The relaxed atmosphere was enhanced by the licenced bar, the excellent barbeque and of course the warm weather. The concert tour departs for Southern Brittany on Wednesday 8th July. **By Mr Banks**

Grease - The Musical - Student Review

All Hallows' annual musical aired on the week beginning 29th June 2015 and was a giant success! Grease the Musical was watched by many impressed parents and teachers as Luke Sprague and Charlotte de Quervain took to the stage, transforming themselves in to Danny and Sandy

magnificently!

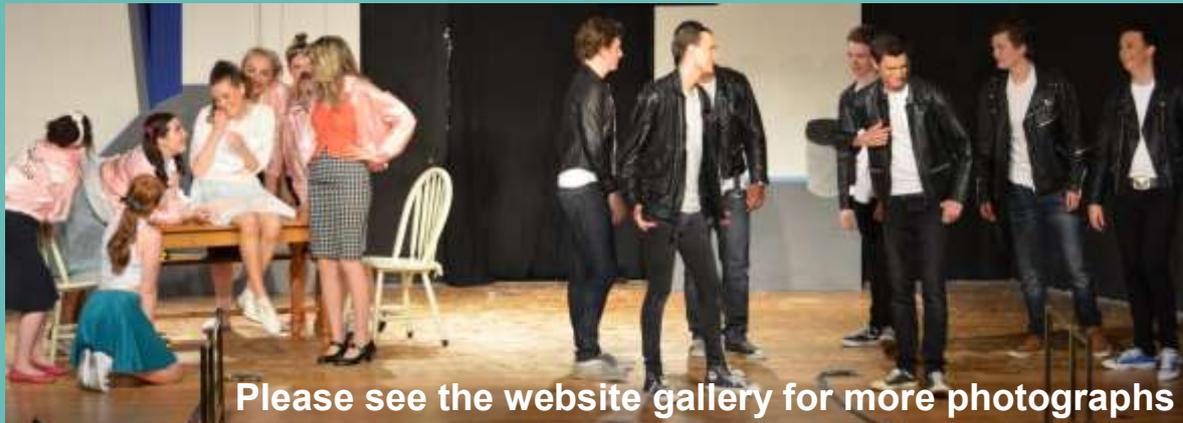

"It is stressful at times but worth it," says Miss Clark, director of the play. (Music Department) "I am very impressed with the commitment and hard work the students put in."

When asked if she planned to direct the musical next year, Miss Clark informed News.com that this was likely, but she would not plan too far in advance.

The atmosphere was superb and much enjoyed by the cast. "I love singing and dancing, and attending rehearsals with my friend," said one female member of the chorus, from 7 Pole.

Do you like performing? Make sure to get involved with next year's musical! See the Music Department for more details!

By Tom Sargent, 7 Pole.

Cheerleading with an Olympic Gold Medallist

On 6th May our cheerleading group and a selection of other sports people from Years 7-9 were visited by Paralympic gold medallist rower, Naomi Riches. She held a two-hour session

with us, focusing around her life as a Paralympic rower and what she has achieved. Not only does this involve a few world championship titles, but also her gold medal at the London 2012 Paralympics (which we got to hold!). She talked in detail about the six keys which help people achieve their potential in sport. Two which stood out for me were mental toughness and breaking barriers. Many of these "keys" we have realised apply to our lives outside a sporting context also.

The opportunity came about because Naomi is partnered with Sky Sports 'Living For Sport' and our cheerleading group have been chosen to participate in this event. The second part of the project involved going into local primary school William Cobbett to teach the Year 3 students a cheerleading routine to 'Cheerleader' by Omi. Naomi also joined us, which the primary school loved! The event was a fantastic opportunity to challenge ourselves by teaching routines we had created and helping the younger students to learn. I want to thank the cheerleading squad for all their hard work, Naomi Riches for coming to visit us at All Hallows and finally Miss Lewis for giving up her time to give us this opportunity. **By Maddie Basheruddin, 7J**

National Champion— Football

Cameron Macallister, 10H represented All Hallows in the Aldershot & Farnborough District Schools Football Association's U15s representative squad as they made history becoming the first ever AFSDFA team to win the ESFA National Cup. Winning six rounds competing against the best of districts from around the county, they met The Wirral at Birmingham's St Andrews Stadium on Friday 15th May where they went on to win 4-2 on penalties, lifting the trophy for the first time in the district's history. A huge well done to Cameron, who represented All Hallows brilliantly both on and off the pitch in the journey to the title. **By Mr Marker**

More All Hallows National Champions—Floorball

On Sunday 14th June 2015, over 170 youngsters from all over England and Scotland made their way to the Gloucester GL1 Centre to take part in the National Youth Floorball Cup competition. Farnham's Under-13 team, the 'Shooting Stars' overcame the Rhinos in a thrilling final and were crowned British champions, the first time they have won it after six years of trying. The under 16s National Cup Runners-Up were 'Farnham Fireballs Red'. All Hallows players are: **Alice Smith 10P, Byran Blackler 10H and Douglas Smith 8J.**

Also playing for U16 'Farnham Fireballs Yellow' was **Rory Willis 9H** who was placed 6th.

U13 National Cup Winners-
Farnham Shooting Stars-
**Ben Grafham, Finlay Brown
and Robert Corbin - All 7S**

Year 8 Boys' Football Team—League Winners 2015

The team were unbeaten right up until the last game of the season in the County Cup Final. On this day, we did everything but score! We have had some tough games in our run to the Cup Final but as a team we pulled together to achieve the wins we wanted. Although we were disappointed not to have won the Cup Final, we did win the League for the second time running by not losing a match or dropping point. Some matches were tougher than others especially against our main competition, Robert Mays. As Team Captain I have to say that I am very proud of what we have achieved as a team and the way my team mates have always stepped up to the mark. I look forward to next season where I hope we can achieve what we have this year and maybe be successful in the County and National Cup. **By Josh Pickering.**

Our Gymnastics team recently won the Stella Cup (local schools competition) with 16 of our students winning medals. Notable performances from Eloise Callan 8E, Eloise Tynan 8E, Niamh Lavous 8C, Hattie Mitchell 7A, Henri Palmer 7M, Karel Coetzee 8E. **By Mr Antrobus**

Future Scholars Award Trip to Edinburgh

On May 22nd, Dejuau Forrester, Kritika Gurung, Aude McClintock, Mahima Rai and Maryum Malik took a trip to Edinburgh to visit the University and learn about the experience of what university is like and the different courses available. The trip showed us what going to a top university might be like. We left school on the Thursday, going by train. The trip took about seven hours! Edinburgh is very old and traditional and therefore had an eerie but interesting feel to it, with cobbled floors and tall, dark, massive buildings. We

all went to some souvenir shops and on the way back we had dinner. The next day, we were treated to a tour of the University along with students from other schools from across the UK. We saw the massive range of subjects and the different societies they have and after that, all of us had a taster workshop on neuroscience, about how the brain works and the different parts of the brain – it included handling the brains of different animals. After lunch we were separated, depending on whether we chose to do a workshop in Maths or in English. Co-incidentally all the girls chose Maths and DJ was the only one who chose English! Lastly, we had an hour where all the schools got together and had a chance to ask the current students some questions about their own experience and what they think about the University and the city. The things we enjoyed most were the lesson on neurology, having McFlurries every evening, playing card games and having an introduction to uni life. Thanks to Mrs McMurtary and Mr Lines for taking the trip as well as Mr Antrobus for organising it. All of us had an amazing time!" **Written by the participants.**

Year 7 Choral Speaking Competition 2015

Following the success of the Year 8 Shakespeare Speaking competition last term, the Year 7 Choral Speaking competition was equally successful. Each tutor group was required to recite a poem in unison, making good use of their pitch, pace, pause, tone, projection and body language. With an entry from every tutor group the judges, Mr Morrish and Mrs Lutzeier, had a very difficult time indeed! Mrs Lutzeier commended each of the tutor groups and gave excellent tips to all of Year 7 on how they could improve. Well done to all the students who participated, but especial congratulations to 7 Edmund for 1st place. **By Mrs MacArthur-Jones**

'The Life of Christ' – Wintershall

On Thursday the 25th June a group of students from Years 7, 8 and 9, accompanied by Miss McDermid, Miss Barnes and Mr Browne took part in an RE trip to see an outdoor production of 'The Life of Christ'. We were lucky it was a beautiful sunny day as the performance took place outside. When we arrived we were led to the first location for Act One and we sat and watched the first part of Jesus' life from when he was born to when he got lost in the Temple. There were lots of live animals (like horses, sheep, dogs and donkeys) involved in that Act. We were then told to move to Act Two which we had to walk across the estate to get to and was located next to a lake. In this Act we learnt about Jesus' early ministry; in the Feeding of the Five Thousand the actors gave out bread in the crowds for everyone to eat. It was delicious! We then ate our packed lunches before heading over to Act Three. We had to sit on a very steep hill, which made it hard not to slip down. We saw the crucifixion and then 'followed Jesus to the tomb' where we witnessed the resurrection. Lastly we were all given bread and fish caught by the disciples in the play. Overall it was a great day where I learnt lots and had a fun time. Thank you to all the teachers that took us. **By Charlotte Linder 7J**

Year 9 Drama Trip to 'Wicked'

On the 11th June 2015 40 Year 9 students were given the opportunity to watch the musical 'Wicked' at the Apollo Victoria in London. 'Wicked' reimagines the story of 'The Wizard of Oz' from the perspective of the Wicked Witch. It was an amazing experience and everyone who performed was incredible. The staging and costumes were incredible and our favourite parts were the different songs, solos and duets – they filled the theatre with an incredible sound. Even though we got back very late and were really tired, we had an amazing time! **By Beth Alliston and Kathryn Harris, Year 9**

The All Hallows Bake Off

Congratulations to all who took part in the Bake Off. Once again the standard was very high. The theme this year has been history and the contestants were given the task of producing a cake that celebrated a historical event.

The winner, Alice Davis 7P, made a beautifully flavoured chocolate orange cake that marked the 100th anniversary of the First World War. In second place was Anna Hinchliff, 8S with a cake that celebrated the life of Joan of Arc and in third place was Hannah Larkin, 8E with a cake that celebrated Queen Elizabeth's golden jubilee. This year's Creative Baker for consistency throughout every round goes to Karel Coetzee, 8E.

By Mrs Behagg

Primary School Art Project

All Hallows' Art Department is running an exciting wet felting workshop at St Joseph's and St Patrick's Primary School with the help of some very talented All Hallows students. The purpose of this workshop is to ease the transition from primary

to secondary school as this can be a daunting process for some pupils. Students are creating wet felt poppies which will be assembled on a wreath in memory of soldiers and others fallen in war as we celebrate 100 years since the First World War. The second artwork is an abstract landscape inspired by Kandinsky which the All Hallows Art Department will then assemble in sections to form a large scale abstract piece. The completed works from both feeder schools will be presented in an exhibition in the Art Gallery at All Hallows in September, where we will hold open evenings for pupils, parents and teachers to view the work.

Students involved in the Art Workshop:

Julia Wenzelowska 9M, Bethan Delves 9M, Chloe Sewell 8A, Katie O'Sullivan 8A, Francesca Lewis 10E, Alex Runcianu 8P, Sam Kellock 9S, Lucy O'Sullivan 8J, Tamara Afonso 9E, Charlie Pennant 10P, Evi Carr-Barney 8A, Ayrtton Prevost 10C, Molly Doherty 10P, Isabella Rolls 10J, Ella Federico 10J, Saskia Fraser 10E, Sian Deacon 10H.

By Project Coordinator Mrs Tennant

The All Hallows £10 Challenge

Five groups of Year 7 students took part in the £10 challenge over the last five weeks. Teams were given a loan of £10 to set up and fund their business and then had to make as much money as they could using only that £10. There was an assortment of products available for sale such as key rings, chocolates, erasers and Emoji cushions. The students sold their products far and wide and at enterprise fairs on Friday

lunchtimes. The enthusiasm and competitive spirit from the Year 7 students was infectious and all teams made a great effort to make and sell as much as they could. Once the loans were paid back, the proceeds were donated to charity, this year's teams managed to donate over £130 to Phyllis Tuckwell. The Champion Seller award went to Rebecca Hirst of 7 Edmund who managed to sell a whopping £130 worth of emoji cushions. Well done to all involved. **By Mrs Millar**

Introducing Our New Head Girl and Head Boy

After some very competitive campaigning, Rachel Mather and Thomas Cobb lead a strong team of Senior Students for the next academic year. They are both looking forward to working for the school community. Good luck Rachel and Thomas!

An Interview With....

Mrs Sprague

This month reporters Ollie Welsh, Millie Davis and Jo Mumford interviewed Mrs Sprague, Senior Teacher and Head of Year 10 about her daily life not only at All Hallows, but outside the school as well. They asked lots of questions, here are some of their favourites.

What was your job before you started working at All Hallows? *"I was a freelance opera singer which was very exciting as it gave me the opportunity to tour the world."*

What was your favourite instrument and to what level did you study it? *"Voice - Grade 8 distinction, degree, performance diploma then I went to the Royal College of Music."*

What is your biggest achievement in music? *"It's between singing in YoYogi Stadium with Jose Carreras in Tokyo and, of course, creating a musical with 9 John!"*

Tell us about your dog? *"My dog is an adopted German Shepherd, she will 'lick you to death' and she never barks unless she thinks there is a burglar or someone gets home late."*

Tell us about your trip to China? *"It was amazing! I walked along the Great Wall, through Tiananmen Square; I saw pandas and a huge number of Terracotta warriors!"*

What are your favourite and least favourite things about All Hallows? *"My least favourite thing is having to sanction students and my favourite thing is seeing the smiles on the students faces when they have individual successes!"*

If you could change one thing about yourself, what would it be? *"It would be to spend more time talking to people rather than working."*

If a genie granted you 3 wishes, what would you wish for? *"Firstly, that all the problems that students have outside of school would disappear. Secondly, that my year group would all reach their target grades in all subjects and finally that I had a smaller nose!"*

And finally, we asked Mrs Sprague to tell us a joke! *"A horse walked into a bar and the bar tender said, 'Why the long face!'"*

By Ollie Welsh, Millie Davis and Joe Mumford (Year 9)

Able Linguist Day

On June 10th, ten selected students from Year 8 took part in Southampton University's 'Able Linguist Day'. We participated in either a French or German poster competition. The aim was to create a poster, which would showcase an item of wearable technology in our selected language. After this, we were all given a taster session in a completely new language: Japanese, Mandarin Chinese, Bulgarian or Russian. It was a fantastic day and we all really enjoyed it. Many thanks to Mr Tucker and Mrs Kilpatrick for taking us on the trip and congratulations to Maia Stadler and Tom Doherty for winning the German poster competition. **By Year 8 Able Linguists.**

European Days of Languages

This is a time to celebrate the 6,000 plus languages spoken around the world! Many of our staff and students speak a different language than English at home. Watch this space for further information

about how we plan to celebrate our linguistic diversity on **Friday 25th and Monday 28th September 2015.** **By Mrs Boniface**

German Exchange Review

15 students from the Humboldtgymsnasium, Köln, joined their Exchange Partners at All Hallows on Friday 12th June. The German students actively got involved in lessons and gave very positive feedback about their experience. In particular they enjoyed teaching our Year 9 students German in their MFL lessons!

Our Welcome Afternoon Tea gave us all the opportunity to get to know our visitors better and to share some of the differences between our schools – notably the first class equipment and facilities we have at All Hallows (our visitors were particularly impressed by all that is offered by the Music Department). The German students were also impressed by the smartness of our students and their uniform (there is no uniform in Germany). The Humboldtgymsnasium does not have interactive whiteboards, so these were also quite a novelty!

We had a lovely day out in Windsor where some of us did indeed see the Queen – sadly they were not quick enough to snap a photo for News.com - and we returned to school to teach our guests how to play rounders.

Our students did themselves proud - they showed exceptional hosting skills and every one of our visitors enjoyed a very happy visit to England. For some, it was their first time abroad. We are now counting down the days till our return visit in October and staying with our partners, meeting their families and seeing the Humboldtgymsnasium for ourselves.

A huge thank you to all students and staff involved for making All Hallows second German Exchange such a great success.

Letters are now available for the current Year

8/9/10/11 German classes – if you are interested in taking part next year, please see your German teacher or Mrs Boniface as soon as possible. By Mrs Boniface

Good Shepherd Mass

In June, a number of students from across the school attended the annual Good Shepherd Mass in Portsmouth Cathedral. This was an enjoyable celebration, where the experience of being 'the Diocesan Community of Schools' became a reality. Gathered round the 'Table of the Lord' with our Bishop, Philip, we asked for God's grace in our schools and for those in need who we have been supporting through our charitable endeavours. **This year the All Hallows community has raised over £12,000 for charity.** This includes:

£2000 raised for 'CAFOD'
£1976.38 donated to Comic Relief
£1682.41 raised for the Nepal Earthquake Appeal
£1517.85 for the Lourdes pilgrimage
£3000 for Phyllis Tuckwell Hospice
£1681.12 for Help for Heroes
£250 for the Missio Red Box Appeal
£20.49 for Cancer Research
£37.38 for Macmillan Cancer

This has been a tremendous effort and it is testimony to the hard work and good will of the All Hallows community. Well done to all. **By Mr Tucker**

Afri-twin Project

During the last week of June, the long awaited Exchange group from our partner school in South Africa, Norman Henshilwood, finally came to All Hallows! The students and staff thoroughly enjoyed their time here, and our guests wished to pass onto our

school community their utmost thanks.

By Mrs McMurtary and Mr Halton

Below are some accounts of their time here:

My family was the host family for a girl named Marcelle. On the day that she

arrived we went out to Farnham for a picnic and then went out to Nandos for dinner. The next day we went to Thorpe Park, which Marcelle really enjoyed as she really liked the big rides. On Monday we went out bowling and then out for dinner, Tuesday we had an 'evening in' and my friends came round and we had pizza so Marcelle could get a chance to know them better. Marcelle also went to Windsor and London and then went shopping during the day on Friday. Friday evening we went to Harry Potter Studios which were really amazing and we all enjoyed them. **By Emily Pilkington, Year 9**

Over the past week I had staying with our family a South African student, and to do something like that I would recommend to anyone. All the things we did were amazing and never at any point was it dull. Everyone felt really sad when it was time for them to go home, but we still stay in touch with social media and Skype. A big thank you to Mrs McMurtary. **By Nathan Hough, Year 9**

The All Hallows School Shop

Opening Times:

Monday 20th July during the school day
Tuesday 21st July during the school day
Thursday 20th August between 9.00 am and 12 noon
Tuesday 1st September during the school day

Second Hand Uniform:

If you have any All Hallows uniform you no longer require please hand it into Welfare. We would be very grateful.

Sale:

We have All Hallows school PE tracksuits for sale at reduced price of £10, please contact the School Shop if you wish to buy one. Or your child may come to the shop to try one on.

Job Vacancies at All Hallows

Required for September:

Administrator— Daily from 10.00am – 4.00pm

Receptionist—Two mornings plus all day Friday

FOR FURTHER DETAILS – PLEASE SEE OUR WEBSITE

Take care of your exercise books

They are your self-made revision guides! It is at this time of year when all the wonderful hard work that has gone into books can be in danger of disappearing into the back of a cupboard or drawer and never seeing the light of day again! If this is not already in place at home, we would urge you to think about having an allocated cupboard, shelf or storage area where you keep all of your old exercise books safe. This is important because they act as great revision guides for when you are preparing for future exams and assessments. **By Mr Laker**

CHAPLAINCY TEAM

Summer break has advantages for most people. However, there can be some downsides as well. Families generally have to develop a new routine and even

times of closeness can sometimes create stress. Yet it is a time of opportunity to do some of the things we are not able to do during the week in term time. As I have said before, it is also an opportunity to reflect on our lives and what we might like to be or do in the future. It can be a time of reconnection, a time to think, pray and remember that we are all part of the wonderful creation given to us by a loving God. We wish you a happy and safe time of refreshment.

By Deacon John Edwards

CONGRATULATIONS TO ...

Daniel Grant, 8P who won a bronze medal at the Kent International Judo tournaments in his belt and weight category on Saturday 27th June. It was a tough contest and he only lost one fight.

and good luck to... Zac West, Year 9 who is going to represent GBR in the Laser 4.7 World Championship in Medemblik, Nederlands from 7th – 14th August 2015. Zac will be competing

against 230 sailors from 29 countries around the world.

Katherine Horton, Year 10 who has been invited to attend a UKMT (UK Mathematical Trust) Olympiad Training Camp in Oxford this summer. Only 22 students from throughout the UK have been invited. The main purpose of this camp is to offer a week's intensive training in mathematics to a few of the most able young mathematicians in the country. The camp will also be used to identify potential members of a squad of pupils who will represent the UK in one of the future International Mathematical Olympiads. The week will be led by Dr Peter Neumann, an emeritus fellow of The Queen's College, Oxford.

and good luck to ... Scott Crabbe, Year 10 who has won Gold at the Hampshire Scout Airgun Competition (Under 18s). Scott has been selected to compete at the Junior International Shooting championships at Bisley, 10th-14th August 2015

Tilly Horton, Year 10 for winning the 1500 and 3000 metres at District and County level. Tilly was also placed 2nd in the school's Inter-County 3000m event.

Ben McLaren Porter, Year 9 for winning the discus, javelin and shot put at District level, for winning the discus at County level and for being placed 2nd at the school's Inter-County discus event.

Lana Ewing, Year 8 for being selected for the England Basketball squad. **Amelia Humphrey, Year 8** for representing Rushmoor Basketball team in the Hampshire Games.

Isabella Haigh 11H and Cara O'Dwyer 11P will be travelling to Tanzania in July for three weeks. Together with a group of four young people and youth leaders from the parishes of Holy Angels Ash and Holy Family Heath End, they will be taking part in volunteering at the Orphanage of Karibu Nyumbani. The orphanage at present is trying to raise funds for a minibus. If you would like to donate towards this worthy cause please visit:
